**DECLARATION OF DONALD E. WIEAND, JR., IN SUPPORT OF
PLAINTIFFS' PETITION FOR ATTORNEYS' FEES**

I, Donald E. Wieand, Jr., being duly sworn according to law, hereby declare as follows:

1. I make this declaration in support of Plaintiffs' Petition for Attorneys' Fees in the above-captioned case.
2. I have served as a licensed attorney in the Commonwealth of Pennsylvania since October of 1976, and after serving as a law clerk to a Judge of the Court of Common Pleas of Lehigh County for one year, I have practiced law since September of 1977.
3. During my career as a licensed attorney, I have focused my private practice on civil litigation, and for about 25 years beginning in about 1986, much of my practice was focused on defending civil rights litigation against municipal and county governmental entities and against public officials and law enforcement officers. Most of those civil rights cases were in the United States District Court for the Eastern District of Pennsylvania.
4. I have been informed that the County of Lehigh has opposed Plaintiffs' Petition for Attorneys' Fees on the basis that the proper forum for setting the prevailing hourly

rate for legal services is Allentown rather than the nine county area encompassing the United States District Court for the Eastern District of Pennsylvania and that based upon the prevailing hourly rate for litigation attorneys, the hourly rates sought by Plaintiffs' attorneys are excessively high.

5. As a litigator located in Lehigh and Northampton Counties, I am generally familiar with hourly rates charged by litigation attorneys in Allentown and Lehigh County.

6. I take issue with Lehigh County's contentions for several reasons: first, based upon my experience, the hourly rates sought by Plaintiffs are not excessive by Allentown or Lehigh County standards; second, it is unlikely that any attorneys were available in the Allentown or Lehigh County communities with sufficient experience to handle the complexity of the issues arising in this case, particularly as they pertain to federal voting rights law; and third, it is unlikely that any reputable attorneys would have been willing to accept a case such as this where the proceedings would have been expedited, where the ability to collect the fees generated was largely contingent upon prevailing in the litigation, and where siding with one judicial candidate against another judicial candidate could result in professional risk to appearing before the prevailing candidate in the future.

7. In my experience, an hourly rate of \$750 per hour for a litigation attorney with more than 30 years of experience, while on the high end of the prevailing rate, is reasonable when judged by Allentown and Lehigh County standards.

8. In my experience, a rate of \$525 per hour for a litigation attorney with 18 or more years of experience is reasonable and within the prevailing rate when judged by Allentown and Lehigh County standards.

9. In my experience, a rate of \$475 per hour for a litigation attorney with 17 or more years of experience is also reasonable when judged by Allentown/Lehigh County standards.

10. In my opinion, a rate of \$400 per hour is reasonable for an attorney with 12 or more years of experience and \$375 is reasonable for an attorney with 11 or more years of experience when judged by Allentown/Lehigh County standards.

11. In my opinion, based upon my experience, a rate of \$360 for an attorney with 10 or more years of experience is reasonable for an attorney with 10 or more years of experience when judged by Allentown/Lehigh County standards.

12. Based upon my experience appearing in the United States District Court for the Eastern District of Pennsylvania, all of the hourly rates mentioned above were reasonable and within the prevailing hourly rates for attorneys practicing in the Eastern District of Pennsylvania.

13. During the past 15 to 20 years, Allentown has seen the growth of mid-size law firms from only one or two such firms to five or six such firms, including satellite offices of law firms with headquarters elsewhere and excluding plaintiff personal injury firms, and the growth of such firms has spurred the increase in hourly rates charged by attorneys in the Allentown/Lehigh County area.

14. I also believe that Plaintiffs in this matter would not have been able to find an attorney in Allentown or Lehigh County with the requisite expertise in federal voting rights laws to handle a case of the complexity and importance of this matter. While there are several local attorneys who have handled cases under the Pennsylvania election code, such cases primarily involved challenges to signatures on candidate petitions or failures to file timely

financial statements rather than complex U.S. constitutional and statutory issues implicating voting rights.

15. I likewise have serious doubts that any local Allentown or Lehigh County attorney would have been willing to accept a controversial case such as this involving two judicial candidates vying for a position on the Court of Common Pleas of Lehigh County. First, an attorney accepting such a case would have been confronted with the uncertainty of getting paid for the work performed; in essence, this was a contingent fee case with a modest upside if the attorney prevailed and a serious downside of receiving nothing at all if Plaintiffs did not prevail. Second, because of the nature of the litigation involving unique and unprecedented legal issues combined with expedited proceedings and appeal, the case would have required a large investment of time and resources in a short amount of time. Third, because the case involved two judicial candidates vying for a single seat on the local bench, any attorney who represented Plaintiffs in this matter risked alienating the opposing Republican candidate who, if successful in the litigation, might use his new position to seek retribution. On the other hand, if the Democratic candidate prevailed in the litigation, and Plaintiffs' attorney appeared before him as a judge, Plaintiffs' attorney likely would face motions to recuse by opposing counsel. Under all the circumstances, this was a no-win situation for Allentown and Lehigh County attorneys, and it is unlikely that any local attorneys would have been willing to undertake such a delicate assignment.

16. The fact that the judicial candidates, both of whom intervened in this case, retained counsel from outside Lehigh County, both from Philadelphia Pennsylvania, suggests that the candidates could not find qualified experienced attorneys from Allentown or Lehigh County who were willing to represent them.

17. Accordingly, in my opinion, Plaintiffs' requested hourly rates are reasonable and consistent with the prevailing hourly rates in Allentown and Lehigh County. Moreover, in my opinion, Plaintiffs' hourly rates, which are consistent with the Philadelphia Community Legal Services approved hourly rates, are reasonable when judged by the prevailing rates in the Eastern District of Pennsylvania at the time when this litigation took place.

18. Even if the Court were to determine that the forum rate is based upon the prevailing rates in Allentown, it is unlikely that Plaintiffs would have been able to locate a qualified attorney to handle a case such as this, and it is also unlikely that Plaintiffs would have been able to find an attorney willing to undertake this dispute involving competing candidates for a position on the local bench.

I declare under penalty of perjury that the foregoing facts stated herein are true and correct.

IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF PENNSYLVANIA

LINDA MIGLIORI, FRANCIS J. FOX, RICHARD E. RICHARDS, KENNETH RINGER, and SERGIO RIVAS,	:
	: Plaintiffs,
v.	:
LEHIGH COUNTY BOARD OF ELECTIONS,	:
	: Defendant.

DECLARATION OF PETER WINEBRAKE

I, Peter Winebrake, declare, under penalty of perjury and pursuant to 28 U.S.C. § 1746, that the following facts are true and correct:

1. I am the managing partner at Winebrake & Santillo, LLC (“W&S”) in Dresher, PA (Montgomery County).
2. I submit this declaration to provide the Court with my views regarding the reasonable hourly rates applicable to plaintiffs-side lawyers handling employment rights lawsuits in the United States District Court for the Eastern District of Pennsylvania (“EDPA”), including in the EDPA’s Allentown, Easton, and Reading Courthouses.

W&S Generally

3. Since its founding in January 2007, W&S has exclusively represented plaintiffs in employment rights litigation. W&S is a pure contingency fee law firm and is “at risk” in every matter it handles. W&S never requires a client to pay an hourly fee or retainer. If a matter does not result in a money recovery, W&S recovers nothing.
4. W&S lawyers have served as lead counsel in several appeals that have resulted in

precedential opinions in the employment rights arena.¹ In other appeals resulting in precedential opinions, W&S has served as co-counsel,² or has authored *amicus curiae* briefs.³

5. In March 2024, the Pennsylvania Legal Aid Network presented W&S with its “Outstanding Pro Bono Advocacy Award” in recognition of its work ensuring access to justice for Pennsylvania’s underserved communities. In October 2016, W&S received the “Guardian Award” from Justice at Work (formerly known as “Friends of Farmworkers”) in recognition of its work on behalf of low-wage workers in individual wage actions.

My Individual Experience

6. I graduated in 1988 from Lehigh University (*magna cum laude*) and in 1991 from Temple University School of Law (*cum laude*), where I served as a Managing Editor of the *Temple Law Review*. I have been a member of the New York bar since 1993 and the Pennsylvania bar since 1997. Prior to founding W&S in January 2007, I held the following positions: (i) Law Clerk to Justice William R. Johnson of the New Hampshire Supreme Court (9/91-8/92); (ii) Assistant Corporation Counsel at the New York City Law Department’s General Litigation Unit (9/92-2/97); (iii) Associate at the Philadelphia law firm of Ballard Spahr Andrews & Ingersoll, LLP (2/97-12/98); (iv) Deputy City Solicitor and, later, Chief Deputy City Solicitor at the Philadelphia Law Department (12/98-2/02); and (v) Non-Equity Partner at the Philadelphia law firm of Trujillo Rodriguez & Richards, LLC (3/02-1/07).

General Nutrition Centers, Inc.*, 220 A.3d 1038 (Pa. 2019). W&S’s considerable work on *amicus* briefs is exclusively done on a *pro bono* basis on behalf of worker’s rights organizations.

7. I serve *pro bono* on the Mediation Panel of the United States District Court for the Middle District of Pennsylvania and have lectured on employment law at many organizations, including: Vanderbilt University School of Law; the Wharton School of Business at the University of Pennsylvania; the Beasley School of Law at Temple University; the University of Pennsylvania Law School; the Earle Mack School of Law at Drexel University; the Pennsylvania Bar Institute; the American Bar Association's Federal Labor Standards Legislation Committee; the Workplace Injury Law & Advocacy Group; the American Association of Justice; the National Employment Lawyers Association; the National Employment Lawyers Association of New York; the Ohio Association of Justice; the Society for Human Resources Management; and the Lackawanna County (PA) Bar Association. Also, in June 2019, I testified regarding federal overtime standards at the United States House of Representatives' Subcommittee on Workforce Protections of the Committee on Education and Labor.

Reasonable Hourly Rates

8. Because W&S works exclusively on a contingency fee basis, it does not send clients legal bills or charge them an hourly rate. However, W&S often submits hourly rates to this Court in seeking the recovery of fees after either a client has prevailed under a fee-shifting statute or (as is more common) after a lawsuit has been settled and the Court must approve the requested attorney's fee.

9. W&S has adopted and utilized the hourly rates described in the fee schedule published by Community Legal Services of Philadelphia. See <https://clsphila.org/about-community-legal-services/attorney-fees/>. We have taken this approach because: (i) the CLS fee schedule has been favorably cited by the Third Circuit, *see United States ex rel. Palmer v. C&D Technologies, Inc.*, 897 F.3d 128, 138 (3d Cir. 2018); *Maldonado v. Houstoun*, 256 F.3d 181, 187-88 (3d Cir. 2001); (ii) the CLS fee schedule has been utilized by district court judges overseeing

many cases handled by W&S;⁴ and (iii) in W&S's view, the CLS rates promote consistency, predictability, and efficiency in the evaluation of fee requests.

10. Based on my observations and experience, the attorney rates described in the CLS fee schedule represent the reasonable attorney rates in litigation ***throughout*** the EDPA. In submitting rates to EDPA Judges, W&S has never reduced its CLS-based rates due to the assigned EDPA Judge, the assigned EDPA courthouse, the location of the defendant's business operations, or the location of the plaintiff's residence. Simply put, W&S consistently treats the EDPA as encompassing a ***single*** legal marketplace dictated by the CLS fee schedule.

11. For some recent examples of instances in which W&S has relied upon the CLS fee schedule in actions assigned to the EDPA's ***Allentown*** courthouse, the Court is referred to the following docket entries: *Green v. Amazon.com, Inc.*, 5:21-cv-05007-JMG at Doc. No. 31-3; *Ricci v. NewRez LLC*, 5:22-cv-00650-JFL at Doc. No. 51-3; and *Houser v. Thirty, Inc.*, 5:20-cv-05087-JFL at Doc. No. 51-2.
